Premium Pet Tools are Made in Taiwan, One-Year Warranty

Premium Pet Grooming Tools

Premium Pet Grooming Tools

The new line of Andis premium pet grooming tools has the professional features pros demand, like ergonomic, anti-slip handles designed for all-day use and reduced hand fatigue. And because it's Andis, they are built to last with heat-treated, stainless-steel cutters and bristles.

andis
every style. every groom. every cut.

TIPS from the PROS

Did you know that a slicker brush can greatly reduce shedding and removes dirt and debris from the coat? It can also be used on non-shedding dog breeds and cats to eliminate small and medium-sized tangles. Prior to brushing, use a conditioning spray to help the slicker glide through the coat and follow-up with a small comb. Both the comb and slicker brush should be used all the way down to the skin and used in layers or sections.
